	v.)	
)	MOTION TO DISMISS
	Charter Spectrum (Charter)	
	Communications,)	
)	
	Defendant/ Respondent)	

My complaint was filed as a result of misleading promises made by Charter Communications and acts I feel violate reasonable and fair billing practices to consumers of South Carolina as a whole. These practices unfairly target Disabled, Retired and those otherwise receiving a fixed income. While Charter claims it does not provide regulated services under South Carolina Law which are pertinent to my claim. I disagree and cite telecommunication services are regulated the Commission and are tied to my original complaint

Respectfully submitted

Michael Madden
